HOW THE CONTEST WORKS:

Qualifier

- 1. Round 1, starting December 3, 2024 at 3:00pm GMT and ending December 3, 2024 at 5:00pm GMT:** Players will participate using their online browser of choice by going to <https://Doom.Hydra.Family/>. Upon starting Round 1, players will be assigned to play deathmatch rounds against an AI-powered bot. Players will progress to the next round if they (a) play for at least a total of 15 minutes and (b) score at least 25 frags (i.e., killing the AI bot’s character) during their total gameplay during Round 1. Players will be notified by Sponsor via their social account

(or the social account associated with their wallet) reasonably prior to December 8 that they are eligible to progress to round 2.

- Round 2, starting December 8, 2024 at approx. 3:00pm GMT and ending December 18, 2024 at approx. 3:00pm GMT:** Players who successfully complete round 1 will be assigned to play an unlimited number of deathmatch rounds against other players in their region. The regions are defined as follows: Africa; Asia; Australia; Europe; South America; United States of America – East; and United States of America – West. Players must accurately self-select the region they are located in. The four top scoring eligible players across all regions, based on highest aggregate scores, measured by frags, will be invited to participate in the Final. If any such player is found to be ineligible to participate in the Final, has not complied with these Official Rules or declines the invitation to participate in the Final for any reason, then Sponsor will invite the next top scoring eligible player to participate in the Final. If a region does not obtain 50 unique players, then that region, and all players within that region, will be disqualified from advancing in the Contest.

Sponsor will monitor each Qualifier match so that players' scores may be restored in the event of match interruptions, including by outside circumstances such as a machine error or loss of power. In the event of a major outage affecting any infrastructure required for gameplay, Sponsor reserves the right to change the format in which the Qualifier is played.

Any attempt to glitch the match or to collude with other players to gain an advantage is prohibited. If Sponsor determines that an action, move or any other in-match action was caused by an unauthorized glitch or collusion, Sponsor will decide in its sole discretion to return the match to a fair state or to disqualify the players involved depending on the result of the play.

Final

The finalists will play three 15-minute deathmatches against each other on stage at HyperX. The prize winners will be selected based on the highest aggregate score, measured by frags, across all matches. In the event of a tie, the player who received the highest score the fastest will prevail.

Each match will begin play at its designated start time. Finalists are required to be in the designated gameplay area at HyperX all times. Finalists shall begin play only when instructed to do so by Sponsor.
